One of the thirty Window Boxes filled with our Blue Spruces decorating the facade of a leading New England Hotel.

LIVING EVERGREENS *from Little Tree Farms*

Hardy In and Out of Doors

For Window and Veranda Boxes

10 Beautiful Spruces
like above for \$10.00

4 of the trees will be 12 to 18 inches high and
6 of the trees will be 8 to 12 inches high.

This offer includes careful packing and delivery to the express at Framingham, Mass.

One of the Spruces used above Artistic people are planting hardy Evergreens in window boxes and pots for winter decoration just as they plant flowers and vines for the warm months. Porch, windows and rooms look the better for the cheery color and vigorous form of these exquisite plants. Their fragrance just suits the season.

The views on the side illustrate three attractive window and veranda boxes which we often make up. We ship you the little trees carefully packed in these boxes. You have only to remove the cover, fill the box with earth, and plant the trees as illustrated in the photograph from which you order. Each box is three feet long, seven inches wide and about six inches deep, painted dark green. The only care needed is *frequent* watering.

The price includes careful packing and delivery to the Express at Framingham, Mass. You pay the Express. The average shipping weight of the boxes is thirty pounds.

Customers may order the plants without the box, deducting seventy-five cents for the box. For planting material for other sizes and uses please see page four.

Our office will gladly give suggestions for any form of decoration desired.

BEST EVERGREENS FOR POTTING

from *Little Tree Farms*

Hardy In and Out of Doors

White Pine

Arborvitae

Blue Spruce

Norway Spruce

Blue Spruce

White Spruce

Arborvitae

These plants have been especially grown and selected for planting in pots, urns and jardinières. They are also desirable for window boxes.

SPECIAL PARCEL POST OFFER

We will deliver to you by *Parcel Post* or *Express Prepaid* little trees with their roots well packed in moss at the prices given below:

These hardy Evergreens in pots, urns and jardinières are beautiful indoors and out of doors all winter. They need the least care of all house plants and strike an interesting note in household decoration. After a few weeks in the indoor warmth they put out fascinating ends of tender green, as attractive as flower buds. These potted Evergreens are much used in windows, doorways, and as table decorations.

Baby Spruces are charming on tables and window sills. Other shades of green are provided by the Pines, Arborvitae, and Junipers, as here offered.
